

Great Western Railway Ltd. Operations Update and Annual Meeting Information

Good afternoon Shareholders.

Andrew Glastetter, General Manager would like to share an update on our efforts to help keep our company safe during the COVID-19 pandemic.

Firstly, GWR would like to assure you that we continue to operate very efficiently. As always, the safety and health of our employees and customers remains our top priority. We are not at this point experiencing interruptions to our service caused by COVID-19, however, our people both in the field and in our offices in Shaunavon and Assiniboia will be relying on electronic and telephone communications rather than face to face meetings.

Secondly, Doug Tallon, Chair as well as all the members of the Board of Directors of 101052644 Saskatchewan Ltd at the regularly scheduled meeting March 17, 2020 in Ponteix, SK. discussed the COVID-19 pandemic. In a motion made, voted on and unanimously passed, it was the decision that at this time the upcoming Annual Meeting of the Shareholders of 101052644 Saskatchewan Ltd. will be cancelled.

In lieu of the face to face meeting, all Shareholders will be receiving within the next few weeks a mailed package containing:

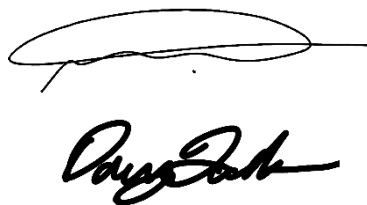

- the Audited Financial Statements for the year ended October 31, 2019,
- a Ballot with the business of the corporation that would normally be voted on at the Annual Meeting,
- as well as a stamped, addressed envelope for the return of the Ballot.

We respectfully request that you read everything carefully over, vote on the listed items, sign the ballot and return to the Great Western Railway Ltd. office the completed Ballot in the supplied stamped envelope. Once received and counted, we will email all shareholders the results and these results will be placed in the Minute Books.

GWR and 101052644 Saskatchewan are aligned with and will follow the guidance provided by the World Health Organizations, as well as Provincial authorities as required.

Thank you for your understanding.

Sincerely,
